

Prophecy Update: March 16, 2022

Pastor Shane Warren

Introduction:

In 2012 I had series of vision which I recorded in my book *The Last Days of America*. Since that publication I have spent countless hours traveling, doing TV shows and guest podcast appearances warning America and the rest of the world what I saw. At that time when I released the prophecy great persecution, specifically from the church world arose against me. I was labeled as everything from a liar to a self-proclaimed false prophet. With every appearance I made sure to warn the world that this cycle would begin in November of 2020, which happened to be the culmination of a 400-year cycle that can be tracked in the scriptures. (A time when iniquity comes to the full). Interesting this 400-year cycle climaxed on the exact same day when the Mayflower Contract, the first founding document of our country, was signed. **On November 16, 2020, President Trump conceded the election** and said, "Biden won, but the election was rigged." That day Corona Virus was escalating all over the world. Though the conservative world wants to hang its hat of blame on the Democrats, I believe that our current condition is an amalgamation of decades of rebellion in our nation against the God of the Bible and his precepts that have pushed us into a cycle of judgment.

Church family I stood before you December 26th, 2021, the last Sunday of 21 and prophetically declared to you what this year would hold. I told you that 11 in the bible is the number of confusion and that even though our hearts wanted all this to be over that 2022 would be a year of double confusion. The 22 letter of the alphabet is tav – cross – a crucible. However, the 20 letter of Hebrew alphabet is Kaf and it is a pictography of an open hand. I told you do not fear the pain or confusion of this next season, God was going to extend an open hand to those who trust him. His grace will be sufficient! The word of the true prophets matter in this day.

In this terrifying vision I saw America divided, North and South, brother against brother. I saw war and division in our streets, looting and burning. I saw Russian, China and the Arab nations plotting the demise of America, the destruction of the dollar, hyperinflation, and war. Today, I'm shocked, because every time I turn on the news it seems like another segment is coming to pass. There are many things that I cannot tell you is coming soon, because we "prophecy in part"; however, there are some things that I am convinced is going to occur and feel like it is a Word from The Lord. The spirit of prophecy must be revived in Church, we need the manifestation of the gifts of the Holy Spirit to help us navigate the days ahead.

Today I am going endeavor to lay out some prophetic implications for all of us, not to frighten us, but to embolden us in the Holy Spirit. I want to do this in the form of a few questions that I hope you will write down and take notes on.

I want to answer three important questions tonight?

1. How do we know we are living in the “end-times”?

- Every generation since Jesus and preacher since the Olivet discourse has believed they were living in the end times. So what makes us different?
- **Joel 3:1-2 - “For behold, in those days and at that time, When I bring back the captives of Judah and Jerusalem,² I will also gather all nations, And bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there On account of My people, My heritage Israel, Whom they have scattered among the nations; They have also divided up My land.**
 - God is saying that in the same period of times that I bring back the captives of Jerusalem and Judah there will also be battle called Armageddon.
 - Israel is the only nation in the history of the world that has been disposed twice and return to become a nation again.
 - 500B.C. = Babylonian defeated Israel and took them captive. While they were in Babylon Persia defeated Babylon (70 years). They went back – **but it was only returning from 1 nation – Babylon.**
 - A.D. 70 (Jesus prophesied this in Luke 21) – Rome took Jerusalem, killed a million Jews, and then took many back to Rome and this led to the Jews being scattered all over the world.
 - May 14, 1948 – Israel once again defied the odds and became a nation in one day fulfilling the prophecy of Isaiah 11.
 - David Ben Gurion declared their independence, Harry Truman recognized it and the rest of the world followed suit fulfilling the prophecy of **Isaiah 66:8** - Who has heard such a thing? Who has seen such things? Shall the earth be made to give birth in one day *Or* shall a nation be born at once? For as soon as Zion was in labor, She gave birth to her children.
- God is saying that when we see the captives return from the nation then the battle of Armageddon is close.
 - **Jeremiah 16:14-15** “Therefore behold, the days are coming,” says the Lord, “that it shall no more be said, ‘The Lord lives who brought up the children of Israel from the land of Egypt,’¹⁵ but, ‘The Lord lives who brought up the children of Israel from the land of the north and from all the lands where He had driven them.’ For I will bring them back into their land which I gave to their fathers.
 - **Matthew 24:32-34** - “Now learn this parable from the fig tree: When its branch has already become tender and puts forth leaves, you know that summer *is* near.³³ So you also, when you see all these things, know that it is near—at the doors!³⁴ Assuredly, I say to you, this generation will by no means pass away till all these things take place.
 - The generation that see the beginning of the end will see the end of the end...

- Every generation has had signs of the end times: wars, famines, earthquake, etc... **BUT, WE ARE THE ONLY GENERATION THAT HAS THE EXISTANCE OF ISRAEL!!!**
- Israel has exist in order for dozens of prophesies to be fulfilled: Covenant between the anti-Christ and Israel, abomination of desolation, a rebuilt temple, two-witness coming, etc.
- A generation: The Bible interprets the bible - **Psalm 90:10** - The days of our lives are seventy years; And if by reason of strength they are eighty years, Yet their boast is only labor and sorrow; For it is soon cut off, and we fly away.
 - It's been 74 years since Israel became a nation – if 80 is the number of a strong generation we have 6 years left...
- The “end-times” is a compressed period of time – and the days are shortened for the elects’ sake. Things are going to speed up significantly for all of us!
- God said he was doing this because of his anger over the scattering of His people and the dividing of his land.
 - Israel is the size of New Jersey and we have been dividing it since 1948
 - Bill Koenig – Eye to Eye “dividing the Land of Israel” – 126 examples of America forcing Israel to give up its land and the major natural disasters that happened in nation within a 24-hour period.
 - 2005 Bush and US forced them to give up the Gaza strip (Land for Peace). 5 days later Katrina hits the gulf coast.
 - December 230 mile long tornado that hit 4 states in 4 hours with historic damage. The Biden administration at the exact same time was trying to force Israel to stop building settlements in east Jerusalem. The Administration doesn’t recognize east Jerusalem as belonging to the Jews, but to the Palestinians. They were pressuring Israelis to give up East Jerusalem, settlements in the West Bank and the Golan Heights. They also announced they were going to establish and embassy for the Palestinians.
 - This means 200k Jews loose homes in east Jerusalem, 400k loose homes in West Bank and we give up one of the most strategic pieces of land to protect Israel, the Golan Heights.
 - The Trump Administration recognized Jerusalem and the eternal capital, moved our embassy there. The only other world leader in history to do this was King Cirrus the Great in Persia.
- Since 1948 and innumerable company of Jews are returning to Israel to reposes the land. And God is angry that the world keeps messing with His chose people and their chosen land.

2. **Are the events we are witnessing today with Russia, Ukraine, Iran, and China significant to Bible prophesy?**

- I cannot find the Ukraine in Bible Prophecy; however, Russia is very significant and what they are doing now is fulfilling prophecy. Pushing us quickly into Ezekiel 38-39.
- **Ezekiel 38:1-6** - Now the word of the Lord came to me, saying, ²“Son of man, set your face against **Gog**, of the **land of Magog**, the **prince of Rosh, Meshech, and Tubal**, and prophesy against him, ³and say, ‘Thus says the Lord God: “Behold, I *am* against you, O **Gog**, the **prince of Rosh, Meshech, and Tubal**. ⁴I will turn you around, **put hooks into your jaws**, and lead you out, with all your army, horses, and horsemen, all splendidly clothed, a great company *with* bucklers and shields, all of them handling swords. ⁵Persia, Ethiopia, and Libya are with them, all of them *with* shield and helmet; ⁶Gomer and all its troops; the house of **Togarmah from the far north** and all its troops—many people *are* with you.

 - This prophecy is against one man, the leader of Russia. Vladimir Putin could very well be “Gog”. If he isn’t one is come soon behind him.
 - Ukraine is not his end game, there is more to come. He wants a complete revival of the old communist Soviet Union.
 - **Put up map:**

- While will they come against Israel? **3 reasons according to Ezekiel 38:7-12: Kill the Jews, get the land back, and take the wealth.**
- **Mainly 2 groups of people will be involved in this invasion: Muslim countries and Russians.**
- Why do Muslims invade? – Because of this ancient hatred and division between their people groups. Almost tribal in its approach.
- Why do the Russians invade?
 - Putin is now backed into a very deep, dark corner – the entire west is aligned against him.
 - Economically he is being shut off from the most prosperous part of the world.
 - This will deepen his alliances with certain Arab nations, Muslim terrorist groups and China
 - **Harretz (News in Israel in 2010)- Largest Natural Gas Reserve Discovered in Israel Worth Approximately \$95 Billion More than 16 trillion cubic feet of natural gas discovered off Haifa shore in joint U.S.-Israeli drilling operation.**
 - **Reuter – July 19, 2020 - Israel approves pipeline deal to sell gas to Europe**
 - an ambitious proposal to build what would be the world's deepest and longest pipeline across the eastern Mediterranean, allowing Israel to export its gas to Europe via Cyprus, Greece, and Italy.
- What will put the hook in jaw – 32k cubic feet of natural gas off the coast of Israel
- **Iran = New York Times - March 13, 2022 - Iran - Missiles Fired From Iran Hit Near U.S. Consulate Site in Iraq and is weeks away from having a nuclear bomb!**
 - Biden administration's response is to cut a deal with Iran for money and give them aid.
 - Israel will bomb Iran; they cannot afford to allow them to be nuclear with their intention of wiping them off the map.
 - Russia has supplied Iran with the necessary material and science to manufacture this weapon.
 - If or when Israel takes out this weapon the militant Muslim nations will be enraged and will move against Israel.
 - Russia has warned Israel and America – If you strike Iran you will answer to us!
- **China – Newseek Magazing – March 16, 2022 - China Planned Taiwan Invasion in Fall**
 - Potentially triggering war with the US and Australia
 - **Daily Mail – November 2021 - China THREATENS Australia with a 'heavy attack' and warns allied forces 'better be prepared to sacrifice' in defence of Taiwan after Peter Dutton confirmed we would join the US in protecting the island.**

- **New York Times – January 26, 2022 – Ninety percent of the most advanced chips are made in Taiwan. China is doing everything it can to take over the global market so they can try to outcompete the rest of us and have a lot of applications — including military applications.**
- **Financial Catastrophe:**
 - North American fertilizer shortage sparks fears of higher food prices
 - A global shortage of nitrogen fertilizer is driving prices to record levels, prompting North America’s farmers to delay purchases, and raising the risk of a spring scramble to apply the crop nutrient before planting season. **The Ukraine is the breadbasket of Europe. This will affect the world food supply.**
 - In November of 2021, from this pulpit the Lord said through a word of prophesy, “you are looking in the wrong place, you should be watching fertilizer, the will be a major shortage in 2022.”
 - Because of gas prices and fertilizer shortages (less than 50%) many farmers are threatening not to plant this season. Food prices will be rising drastically.
 - Inflating will be increasing drastically:
 - Many global supply lines are very restricted even at a standstill.
 - West Coast ports labor pact update:
 - Current contract expires June 30
 - Extension was rejected by the union
 - The union is expected to leverage record industry profit to insist they get a fair share
 - History of tenuous negotiations between port and the union, often leading to operational deterioration and lock-out
 - ILWU fears automation, wants better compensation; they are already amongst the highest paid industrial workers in the world
 - West Coast ports are some of the least efficient in the world (ranking out of 351):
 - Seattle: 206
 - Los Angeles: 328
 - Oakland: 332
 - Long Beach: 333
 - Gas prices will get worse unless we open up our exploration and supply lines

There is a third great shaking coming in 2023. I did not say a Third Great Awakening (even though I’m believing for that), but a Third Great Shaking.

How will this war end?

Ezekiel 38:18-23

¹⁸ "And it will come to pass at the same time, when Gog comes against the land of Israel," says the Lord God, "that My fury will show in My face. ¹⁹ For in My jealousy and in the fire of My wrath I have spoken: 'Surely in that day there shall be a great earthquake in the land of Israel, ²⁰ so that the fish of the sea, the birds of the heavens, the beasts of the field, all creeping things that creep on the earth, and all men who are on the face of the earth shall shake at My presence. The mountains shall be thrown down, the steep places shall fall, and every wall shall fall to the ground.' ²¹ I will call for a sword against Gog throughout all My mountains," says the Lord God. "Every man's sword will be against his brother. ²² And I will bring him to judgment with pestilence and bloodshed; I will rain down on him, on his troops, and on the many peoples who are with him, flooding rain, great hailstones, fire, and brimstone. ²³ Thus I will magnify Myself and sanctify Myself, and I will be known in the eyes of many nations. Then they shall know that I am the Lord."

When will this war happen? According to Ezekiel 38 three things must happen before this war occurs:

- Israel must be restored back to the land
- They must be dwelling securely
- They must be prosperous

3. What is my response?

- Realize Jesus is coming soon make sure you are ready to meet him!
- Live your life for Jesus!
 - o Plan like he isn't coming back for 100 years, but expect him to come right now
- Don't allow fear to rule your heart or mind!

Conclusion: **Luke 21:25-28** - "And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; ²⁶ men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken. ²⁷ Then they will see the Son of Man coming in a cloud with power and great glory. ²⁸ Now when these things begin to happen, look up and lift up your heads, because your redemption draws near."
